September's Character Value is Pursuit of Excellence!

**September
2009**

A Message from Mrs. Gonzalez...

I am happy to announce that Christina M. Eve Elementary has once again earned an A+ rating from the State of Florida. Moreover, we rank among the top performing schools in the district due to the scores produced by our students on the 2009 FCAT administration. The accomplishments of our students are a product of hard work, perseverance, expectations that surpass basic standards and a quest for success.

The staff of CME takes great pride in the success of each of our students with the belief that each child will excel to the very best of their individual ability. Together, we will create a foundation for excellence that our students can build upon as they pursue higher levels of education.

Back to School Tips for Parents

1. Speak positively about your child's new class and the exciting upcoming year. Your enthusiasm will give them a positive outlook.
2. Every night have your child organize his/her supplies, uniform for the next day, snacks and lunch money for a smoother start the next day.
3. Let your child know that you and the teacher are there to help them. Cooperation between you and the teacher can aid your child's academic performance.
4. Make sure your child knows his/her drop off and pick up routine. This will help reduce any anxiety they may have about who is picking them up from school.
5. Mark you calendars for any important upcoming events at school. Children appreciate your support to the school.

Two More Days Till School

By: Leslie Kimmelman

I'm finally going to school this year,
and now the big day's almost here.
I'll learn to write and count and read--
Only two more days till school.
I got new pants and shirts and socks,
a brand-new red and blue lunch box;
I'll paint and sing and dance and play--
Only one more day till school.
My hair is washed, my sneakers squeak,
I'm so excited, I can hardly speak!
New things to do, new friends to meet--
Hooray! It's the first day of school!
